SPECIAL SERVICES

Static Public IP for Gaming Console	R50/month	Virtual Server Hosting	Pricing available on request
Static Public IP for Camera/CCTV	R150/month	True Cover	Client Premises Equipment (CPE & POE) cover at R30pm
Mail Domain Hosting	R60/month	VPN	VPN/EOIP Link - R200/Mbps (1-5Mbps)

Although TrueWAN uses a wireless network to get to your premises, there will be a network cable from the antenna to your PC, switch or wireless access point. For multiple PC's, add a network switch to connect them all to the internet. To create a wireless hotspot indoors, you will need to purchase a Wireless Access Point.

Network Switch	8-port from R300 . For network cabling: R7/m & R10/end (excl add labour @ R400/h)
Wireless Access Point	From R790 Wireless Access Point / Router (To create a wireless hotspot) - (excl additional labour @ R400/h)
